Subject: Partnership Authorization - BMS (Building Management System)

This letter confirms that Teamac Arabia Pvt Limited (“Company”) authorizes Arabian Technologies Contracting Company (ATC) to act as our partner for the purpose of marketing, proposing, supplying, and installing BMS (Building Management System) supplied by us under the brand name of **Trend Honeywell** within the Kingdom of Saudi Arabia.

Under this authorization, ATC is allowed to quote using the Company’s name and logo in proposals, pre-qualification documents, presentations, and marketing materials solely to indicate the above partnership for BMS works.

This partnership authorization is non-exclusive and does not transfer any intellectual property rights. All trademarks, logos, product literature, and technical documentation remain the property of the Company.

Please feel free to contact the undersigned should you require any further clarification.

Sincerely,

Khursheed Ahmed Khan | CEO
